

BRHLL Tournament Seeding Tiebreaker

- I. Teams shall be seeded in the tournament bracket for the specified number of teams provided by Little League International based on the final regular-season standings.
- II. A team's seed shall correspond to its regular-season finish based on winning percentage. (i.e., the champion shall be the No. 1 seed, the runner-up the No. 2 seed, etc.).
- III. In case of a tie for any place finish in the regular-season standings, the following tie-breaking procedure shall be followed in order to seed teams in the tournament bracket:
 - a. Two-team tie:
 - i. Results of head-to-head competition during the regular-season based on win-loss record.
 - ii. Each team's record vs. the team occupying the highest position in the final regular-season standings (or in the case of a tie for the championship, the next highest position in the regular-season standings), continuing down through the standings until one team gains an advantage.
 1. When arriving at another pair of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to their own tie-breaking procedures), rather than the performance against the individual tied teams.
 2. When comparing records against a single team or a group of teams, the higher winning percentage shall prevail, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1, but 2-0 is not better than 1-0).
 - iii. Coin toss conducted by the President or designee.
 - b. Multiple team tie:
 - i. Results of head-to-head competition during the regular-season.
 1. When comparing records against a single team or a group of teams, the higher winning percentage shall prevail, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1); in the case of tied percentages vs. the team or group of 1.000 or .000 the following shall apply: 2-0 is better than 1-0; 0-1 is better than 0-2..
 2. After the top team among the tied teams is determined, the second team is ranked by its record among the original tied teams, not the head-to-head record vs. the remaining team(s).
 - ii. If the remaining teams are still tied, then each tied team's record shall be compared to the team occupying the highest position in the final regular-season standings, continuing down through the standings until one team gains an advantage.
 1. When arriving at another pair of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to their own tie-breaking procedures), rather than the performance against the individual tied teams.
 2. When comparing records against a single team or group of teams, the higher winning percentage shall prevail, even if the number of games played against the team or group are unequal (i.e., 2-0 is better than 3-1, but 2-0 is not better than 1-0).
 - iii. Coin toss conducted by President or designee.
